

Gamma STCM - How To Activate An Alternate Call Plan

1) Once logged into the SIP Trunk Call Manager, go to Point My Number on the left-hand side

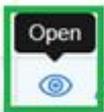

2) Locate the number you wish to amend the call plan on and select “Open” which is the Eye Symbol

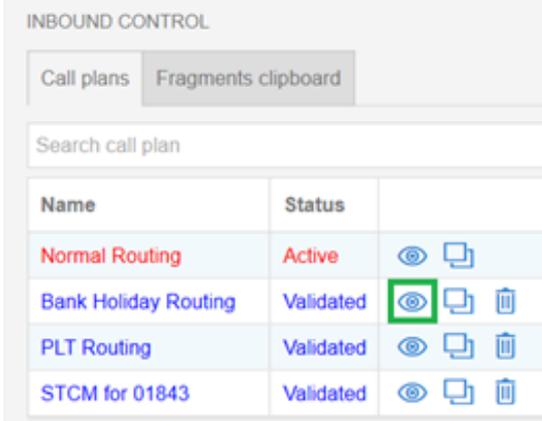

Point my number ? Download

Welcome to Point my number. Here you can create and maintain call routing plans for your Inbound number(s). Please select a number from the list below.

Search inbound numbers

Number	Description	Status	Aliases	SIP Endpoint	Open
01843	INBOUND CONTROL	Active	No alias make primary , make aliased	DC2N	

- 3) Another list will appear showing all call plans that are applicable to be applied onto your number. Click the eye icon next to the call plan you wish to activate. In the below example, we are applying “Bank Holiday”

INBOUND CONTROL

Call plans Fragments clipboard

Search call plan

Name	Status	
Normal Routing	Active	 
Bank Holiday Routing	Validated	  
PLT Routing	Validated	  
STCM for 01843	Validated	  

XZS

- 4) You have 2 options to choose from. You can either;
- a) Implement the call plan immediately by selecting “Activate”
- Or
- b) Implement the call plan at a set date/time in the future “Schedule Activate”
